

Bernalillo County

Office of Health and Social Services

MISSION STATEMENT

The Office of Health and Social Services provides health and quality of life initiatives for Bernalillo County residents to improve economic well-being, education, health and family and community development.

The Social Services section solicits proposals from non-profit organizations to provide social service programs to county residents who are most vulnerable. Terms of award may span multiple years and are based on community need and funding availability. The County also solicits proposals, on at least an annual basis, for Community Event Sponsorships that are free to the public and support activities that enhance quality of life, and ensure that health, recreation, art and cultural activities are accessible.

Additionally, this section administers a Summer Lunch Program as a sponsor of the Summer Food Service Program (SFSP), through the Family Nutrition Bureau (FNB) of the State's Children Youth and Families Department (CYFD). The Program provides nutritious meals to children ages 1—18 at over 50 locations. No registration is required.

The County also operates Senior Meal Sites by partnering with the City of Albuquerque Department of Senior Affairs. Sites are generally open M—F, 9 am – 3 pm, and offer activities as well as a hot meal. Menus and activity calendars are available; lunch reservations are required. Limited transportation for neighborhood residents is available to some sites. County sites are located at: 9800 4th Street NW, 1714 Centro Familiar SW, 6080 Isleta Blvd SW, 5901 Paradise Blvd NW, 3910 Isleta Blvd. SW, 2008 Larrazolo Rd SW, and #6 Lark Road in Tijeras NM.
